About the Director

Daren Friesen is the director and founder of Moksha Yoga Center in Chicago which is the largest yoga center in the Midwest. An enthusiastic student and passionate teacher, his challenging style of vinyasa flow incorporates alignment and action, breath, mudras, bandhas, and kriyas. Having studied with renowned teachers in the states and masters and gurus in India, his teachings incorporate both modern elements and classical yoga philosophy.

Daren has traveled to India annually since 1999 to practice and study in India. His studies include Ashtanga Yoga with Patabhi Jois (1997-1999) and at the Ashtanga Yoga Research Institute and Dr. Shankaranarayana Jois at the Sadvidya Foundation in Mysore, South India. He is also an avid fan of South Indian Ayurvedic treatments with Dr. Unni of Agaastya Heritage Center in Kovalam Beach, Kerala. He has studied in-depth with a variety of teachers in the states including Shiva Rea, Seane Corn, Leeann Carey, Bryan Kest, Tias Little, and Aadil Palkhivala.

Daren has been training teachers since 1999 in Chicago and the surrounding suburbs. Many of Chicago's finest teachers and studio owners have completed the Moksha program over the years. His depth of knowledge and non-dogmatic approach to yoga studies are essential ingredients of the training. Daren's program offers provocative insights and opportunities for personal growth through his unique blend of a classical yet innovative approach to yoga studies.

Academic Policies

Grading System

Whether the student passes or fails the program is based on completion and participation in all assignments, electives, apprenticeships, and performance evaluations given during the course of the program.

Academic Advising

A student's educational objectives, attendance and conduct are reviewed on an ongoing basis. If academic standing or conduct is unacceptable, the student will be advised. Students are encouraged to seek academic advising through their instructor.

Satisfactory Academic Progress

Satisfactory progress is defined as actively participating in all levels of the training program, including but not limited to quizzes, tests, and homework. In the event that a student does not achieve the established criteria for determining satisfactory progress, the student will be allowed to present justification or evidence of extenuating circumstances as to why he or she should be allowed to continue training. The student will be considered making satisfactory progress during any probation period. If the student has not achieved the criteria as set forth in this section at the end of the probationary period, he/she may be terminated from the Moksha Yoga Center Teacher Training program. If a student must repeat a section of study, he/she may be charged a repeat fee to be determined by Moksha Yoga Center. This repeat of the section of study may be due to academic failure or failure to meet attendance requirements. The maximum time allowed for repeats will be determined by the registration requirements of the Yoga Alliance.

Academic Probation

A trainee seeking certification may be placed on academic probation under the following circumstances...

1. 3 or more unexcused absences; 5 or more excused absences
2. Chronically late or tardy
3. Late or missing homework, quizzes or tests (30 days or more)

To be removed from academic probation, submit the missing homework, quizzes and tests and/or attend the necessary make-up sessions, then meet with the instructor or yoga counselor within 30 days. There is a \$50 administrative fee to be removed from academic probation. If the trainee fails to be removed from academic probation, the status will be changed to audit with no certification possible. The student may then continue to attend any coursework or classes at their convenience. Also if a student has gone missing or neglects to meet with the instructor or yoga councilor for 30 days the student will be automatically dropped from the program.

Leave of Absence

Leaves of absences, including military leaves, shall be reasonable in duration, not to exceed sixty (60) calendar days and shall be for specific and acceptable purposes. A written request for leave of absence properly dated and signed by the student and school official must be filed prior to the beginning of such a leave unless circumstances prevent completion of the request at that time. Student must return on or before the expiration of the leave of absence or face termination.

Termination Procedure

Students to be terminated from the program are notified in writing and may appeal to the Director of the Moksha Yoga Center Teacher Training Program within three (3) days of "Notice of Termination".

Reinstatement

Students who have been forced to interrupt their education for any reason may request reinstatement by contacting the director of the Moksha Yoga Center Teacher Training Program. Students who were making satisfactory academic progress when they withdrew will be eligible for re-entry without condition. Students who were not making satisfactory progress may be placed on academic probation or have other special conditions placed on their re-entry. All students requesting reinstatement may be required to go through a portion of the admissions process again.

Transferring Programs

Students wishing to transfer to a new training program for any reason will be charged a \$100 non-refundable transfer fee, to cover any administrative work needed to transfer. As a part of this transfer the student can decide how to use their 9 months worth of Moksha classes that are included in tuition. The student may choose to continue using the remainder of the classes at that time or the student may choose to put these classes on hold to be continued once the new program begins. Also once the student begins training with the new program the student must adhere to all Certification Requirements of the new program, including the items discussed in the new program's Orientation Manual and Enrollment Agreement.

Graduation Requirements

In order to graduate, a participant must...

1. Complete with a passing grade all requirements for their program of study within the maximum time frame permitted.
2. Fulfill all financial obligations and return all property (such as props) belonging to Moksha Yoga Center, Inc.
3. Complete all quizzes, tests, midterm, final exam, and thesis project.
4. Submit a complete list of hours in compliance with certification requirements.
5. If the participant needs to extend their certification process, there will be a \$100 extension fee every semester (3 mos).

Transcripts & Certificates

Trainees receive one free transcript and certificate at graduation. A \$20 fee will be charged for each additional transcript or certificate and must be paid in advance before they are processed.

Attendance Policies

Class Definition

"Class" is defined as any practice, training, or teaching class in the setting of the teacher training program. "Class" also includes any Moksha Yoga Center class, any specially arranged or ad-hoc class, workshop class, special event class, master teacher round table class, introduction to yoga class, yoga sutra study group class, and any and all other classes at Moksha Yoga Center not mentioned above.

Opening Circle

The first class get-together is a sacred sharing of one's background and intention for the teacher training course. Please come prepared to talk about where you grew up, how you came to yoga and what yoga means to you, why you are interested in the teacher training program or what you hope to accomplish by participating in the training. Please wear an article of white clothing to represent the purity of your intention (practice clothing is not necessary). Make-up Policy: There is no make-up for this class.

Orientation

There are several orientations scheduled before the start of the program. Attend one session to learn about all of the requirements for certification.

Training Classes

These classes are the foundation of the training program, mandatory and required for certification. Integral to the learning process, these classes are multi-dimensional and include practice and theory of asana, pranayama, meditation, bandhas, mudras, kriyas, history, philosophy, and ethics. The format of the class is structured to include practice, hands-on adjustments, lecture, discussion, Q&A, and quizzes. Guest teachers may also be asked to present during these times. Make-up Policy: You are entitled to miss one class. For all remaining absences, you must attend make up sessions completing hour-for-hour each class missed.

Practice Classes

Trainees are required to participate in 2 group classes per week, preferably at Moksha, or the host studio in the suburbs. This requirement is in addition to your daily personal practice. A minimum of 100 practice classes is required for certification. For practice classes completed at Moksha, the database will keep track of your attendance. For practice classes completed elsewhere, please keep a log (location, date, # hours) of your attendance.

Daily Practice

Please take 15-20 minutes daily to practice the poses and pranayamas that you are learning in class.

Absences

- **Excused:** each trainee must inform the teacher in writing and in advance for classes which will be missed for legitimate reasons, such as a work issue, family emergency, or pre-planned holiday. Shopping, movies, lunch with a friend, and "I'm too tired" are not legitimate excuses lol. Trainees are allowed one (1) excused absence without a make-up. After having five (5) or more excused absences, the trainee will automatically be placed on academic probation and may become ineligible for certification. There are absolutely no refunds under such circumstances.
- **Unexcused:** after three (3) unexcused absences, the trainee will automatically be placed on academic probation and may become ineligible for certification. There are absolutely no refunds under such circumstances.

Make-ups

Trainees must complete a make-up for all absences after the first in order to be eligible for certification; there are no exceptions to this policy. Attend the missed class in one of Moksha's other training programs. Assignments and projects not completed on schedule during a course must be made-up within the time frame of that course.

Illness

If a participant must be absent due to an illness or dire emergency, please call the Moksha office within one hour prior to the class start time.

Tardiness

Excessive tardiness will jeopardize your certification status. In addition, if you are late to any class more than three times, your status may be changed to audit. There are absolutely no refunds under such circumstances. Tardiness and leaving class early is subtracted from the total time of the program, and counts against the minimum

Other Policies

Student Conduct

Students must adhere to the rules and regulations of Moksha. Students whose conduct reflects discredit upon themselves or the school may be subject to probation and/or termination. The student must adhere to conduct that will not interfere with the learning process of any other students, the classroom presentation by the instructor, presentations by visitors, or the progress of the class or Moksha in general. The administration of Moksha reserves the right of judgment, to place on probation and/or terminate a student on any of the following grounds:

1. Talking on a cell phone, texting, or using a cell phone in any way in the practice room at any time.
2. Chewing gum.
3. Excessive absences or tardiness.
4. Falsifying school records.
5. Entering school premises while under the influence of alcohol or drugs.
6. Bringing soda, meat, or other smelly foods (garlic, onions, eggs) into the studio.
7. Theft.
8. Failure to pay fees when due and/or to make available required documents.
9. Non-conformity of rules and regulations of Moksha.
10. Breach of Moksha enrollment agreement.
11. Conduct that is unsatisfactory to Moksha, its staff, faculty, and its students.
12. Aiding, abetting, or inciting others to commit any act that would detract from the normal operation of Moksha.

Disruptions

Disruptions to the teaching atmosphere will not be accepted. This includes not following instructions, talking/chatting with others during class, arriving or leaving late, arguing or causing ill will in class, sleeping, and any other action, word, or deed disruptive to the learning process. You may be asked to leave the program. There are no refunds under such circumstances. In addition, the teacher will not serve as mediator or babysitter for disputes, arguments, or situations between trainees. Resolve unpleasant situations or disagreements with other trainees on your own.

Teacher/Trainee Relationships

Out of respect for the sacredness of the teacher-student relationship, we require teachers and students to abstain from developing romantic or personal relationships while students are participating in the Moksha Teacher Training Program. Any teachers and/or students found to be involved beyond a friendship or student-teacher relationship will immediately be asked to meet with the Program Director. Appropriate action will be taken, which may include immediate termination from the teaching faculty for the teacher or dismissal from the program for the student. We highly recommend that all trainees read the book "Teaching Yoga" by Donna Farhi before the program begins. This book explores challenging situations teachers may encounter and deeply examines the ethics of teacher- student relationships.
